Felicity's approach

- To explore & develop your natural sweet spots as a coach, alongside the less natural places
- To evolve your personal coaching style in congruence with and supported by the ICF Core Competencies
- To bring you freedom within the framework of the ICF

Choose the **ICF MENTOR COACHING** package when you've done your coach training and are seeking either your ACC or ICF credential with the ICF.

Coaches

The ICF requires 10hrs of **MENTOR COACHING** for ACC and PCC applications.

"I have learnt more about myself and my style than I believe I ever would have and have really benefitted from the focus on my development as a coach. I wholeheartedly recommend Felicity to anyone who is considering working with a Mentor Coach for ICF credentials" M.T
